Commissioner Money made a motion to accept the minutes of the June

29, 2023 Police Commission Special Meeting minutes. Commissioner Coffin seconded the motion.

All in Favor

Minutes of June 29, 2023 Police Commission Special Meeting accepted as written.

2. PUBLIC COMMENT

None.

3. COMMISSION CORRESPONDENCE

A. Commissioner Caporale stated there were no voicemail correspondence received for the month of June 2023.

B. Written Correspondence

Chairman Frey stated he received an email from a resident questioning the paint stripes for the crosswalk in front of CVS Main Street parking lot. The resident asked if there was going to be white lines or color stripe lines painted. Major Platt stated he would follow up with First Selectman Rudy Marconi. This intersection is governed by the State, as Main Street is a state road.

Major Platt stated a resident is concerned about traffic speed on South Salem Road. Major Platt added that Sgt. Mark Caswell has already been in contact with her, and is addressing their concerns.

Wayne Addressi stated his concern about Ridgefield's Pursuit Policy. Capt. Nick Fowler has addressed this concern in the past and has explained that Ridgefield Police Department policy follows the Statewide Police Pursuit Policy. Major Platt said the police are doing what they can within the limits of the law.

4. NEW BUSINESS

A. Citizen Survey

Major Platt stated the Citizen Survey is out. Results will be forthcoming.

5. OLD BUSINESS

A. Hiring Update

Major Platt stated we are in the process of hiring a police officer from the current list.

B. Public Safety Building Update

Chief Kreitz and Major Platt met with Jake Muller. Minor changes were made to the revised plan. Major Platt will meet with Jake next week.

6. CHIEF'S REPORT**A. Traffic/Sign Report**

Sgt. Mark Caswell, Sign Officer, submitted the following report.

Re: [June 2023](#) Sign Report

Sign Maintenance:

1. Installed 2 25 mph Speed Limit signs on Oscaleta Road.
2. Repaired the "T" intersection sign on Bennett's Farm Road.
3. Moved the Stop Sign on North St/Copps Hill Rd 10 feet to the north to improve traffic safety.
4. Installed a Traffic Advisory sign "Oncoming Traffic Does Not Stop" on Old Sib Road/Blue Ridge Road
5. Replaced the Stop Sign Rita Road / Limestone Road.
6. Repaired the Dead End sign on Limestone Terrace.
7. Replaced the Stop sign on Limestone Terrace.
8. Replaced the Curve sign on Gilbert St.
9. Replaced No Parking sign on Ridgebury Rd.

Sign Follow Up:

1. The Traffic Advisory sign was installed on Old Sib Road and Blue Ridge Road to address the concerns about the safety at the intersection which was addressed at last month's commission meeting. A request was also made to Town Highway to trim the foliage at the intersection.
2. On [June 27](#) I received an email from Billy Gramajo regarding the school bus stop located between 8 and 66 South Salem Road. Due to the blind curve in the area, visibility for a stopped school bus is limited. I contacted the State DOT as Route 35 is a state road requesting the additional signs. They are looking into the situation and Mr. Gramajo has been notified.
3. A request was made to review and reduce the speed limit on Mulberry Street. The current speed limit, as approved by the Office of the State Traffic Administration (OSTA), on the street is 25 mph and the road is .25 miles long. Pursuant to Section 14-218a of the Connecticut General Statutes, (OSTA) is responsible for approving speed limits on all public roadways in this state. Speed limit certificates are issued by the OSTA to local municipalities desirous of establishing speed limits for individual town roads. Effective [October 1, 2021](#): Pursuant to Public Act 21-28, the Local Traffic Authority of any town, city or borough may establish, modify and maintain speed limits on all local streets, highways and bridges or in any parking area for

ten cars or more or on any private road wholly within the municipality under its jurisdiction, without approval from the OSTA. I researched the incidents on Mulberry Street for the past 10 years and found the 6 accidents occurred during that time frame. 4 were weather/sun glare related, 1 was operation/backing related and 1 was speed related. The department also performed 29 radar details during that same period. The highest speed recorded was 45 mph. 8 warnings and 7 infractions were issued. It is my recommendation that radar details continue regularly and that the speed sign be installed to record the speed and traffic count to determine if a speed limit change is warranted.

The Police Commission praised Sgt. Mark Caswell for a thorough job.
