

Internet Essentials Partnership Program (IEPP)

ABOUT INTERNET ESSENTIALS

Internet Essentials from Comcast is the nation's largest, most comprehensive, and most successful broadband adoption program for low-income Americans in the country. The program is uniquely designed to address the three major barriers to broadband adoption—digital literacy training and relevance, equipment, and cost—and relies on a network of tens of thousands of community partners to help families cross the digital divide.

IEPP & HOW IT WORKS

Partners, such as schools, healthcare providers, and other community-based organizations, have the ability to sponsor, or pay for, Internet Essentials service for their eligible members/families at a cost of \$9.95 + tax per month per household. The minimum requirements to establish a Partnership Program Agreement are at least a six-month term for at least 25 eligible applicants that are new to the program.

Following a formal agreement, Comcast will send sponsors promotional codes to distribute to eligible families. These codes will ensure the billing for an approved applicant will flow up to the sponsor's account. Sponsors will receive one bill each month and are only charged for applicants that are approved and connected to the Internet Essentials program.
