2. COLONIAL HEIGHTS BRIDGE FINAL APPROVAL

Aiden McGrath with Eagle Scout 116 presented his final project on the Colonial Heights bridge. The bridge looks fantastic and the RCC thanked the scouts for everything they do and all the hard work they put into projects throughout the year.

3. 54 KETCHAM ROAD SUBDIVISION

Neighboring residents, Ruth Feldman and Chris Flynn expressed their concerns regarding the proposed four-parcel subdivision. Commission members explained the review process to them regarding the roles of Inland Wetlands, RCC, and P&Z and explained the position of RCC. The RCC then discussed the position letter to P&Z on the project. The next public hearing is scheduled for January 16 at P&Z, to address public concerns. All are encouraged to attend.

RCC drafted a letter to P&Z expressing concerns of the parcel proposed for donation citing isolation and fragmentation from surrounding conservation areas are problematic. Unless access to the open space is provided the RCC requests that P&Z decline the proposed land donation and instead request payment in lieu of 10% of the value of the land.

UPON motion duly made (Keller), seconded (Barbieri), and carried, it was RESOLVED that the RCC will submit the letter to P&Z as written. Vote: 8:0

4. 401 OLD SIB ROAD PROPERTY

Mr. Welby drafted a letter to a neighbor concerning a possible donation to RCC as open space. The open space is contiguous to the existing Old Sib Open Space. The letter will be sent to the property owner and the RCC will be updated if anything further develops.

5. 45 ST JOHNS ROAD NOPV

Mr. Coyle explained the property owner at 45 St. Johns dumped debris in open space and in wetlands. The owner has agreed to clean up.

This topic will be further addressed at the January 22 meeting.
