### COMMENTS, EXCEPTIONS AND/OR RECOMMENDED CONDITIONS

The AAC commends the applicant on the overall design of this sign, and especially appreciates the incised lettering.

**Recommendations:**

- 1) The sign should be 4' above the ground rather than 5'.
- 2) The AAC recommends that the sign be placed further back from the sidewalk.
- 3) We recommend that the address of the school be on the sign instead of "Preschool - Grade 8 • Faith in Every Student".
- 4) We recommend that the "National Blue Ribbon Winner" be considered a 'Temporary' sign with it's own permit.
