Barn Update:

Fundraising ideas (money to maintain the building and provide more
days for the Barn to be open)

- mailing letters for money (with the town letterhead on top)
- art walk October 3. Barn potential stop
- possible raffle ticket sales
- Battle of the bands .. Jeff said he could help spearhead
- possible music venue

We have decided that we should talk about restructuring the
commission with more organization and decisions. Meetings should have a
central purpose addressing all youth

Other areas of Ridgefield's youth should be touched on, not just the
kids who attend the barn.

Touch on the bad relationship between the kids and the Ridgefield
Police Department.

Saferides is starting earlier than last year! First football game, 25th

Next months meeting will be held at family university at scotts ridge
middle school. on october 7th.
