

Parking Authority Special Meeting Minutes
Unrevised/Unapproved
Friday, November 5, 2010
Small Conference in the Town Hall.

Present: Larry Hoyt, Mike Zap - Authority members; Laurie Scholl, Rudy Marconi and Fred Fields, Town Hall representatives

The Parking authority met to discuss the Branchville Train Station, and overnight parking fines.

The following determinations were made:

The Parking Authority voted to charge \$50 fine for overnight parking.

It was reported that all permits sold out for Branchville and there are 16 people on the waiting list for permits.

The Authority agreed that it should use the permit money to pay for the electrical engineer who is being hired to delineate the usages of electricity at the Station, Lot, and Whistle Stop.

The Authority discussed the number of spots at the lot and the need for overflow or additional spots to help satisfy the wait list. The Town will be looking into this.

Respectfully submitted,

Laurie Scholl, HR Director
