

Protecting Our Charm One Road at a Time
by Gillian Sheerin

At the October 6th, 2022 meeting, the Board of Selectmen voted to schedule a Public Hearing and Town Meeting for the discussion and vote on the adoption of 6 new Scenic Roads.

The Scenic Road Ordinance is designed to protect certain roads from alterations that negatively impact the charming and historical character that Ridgefield residents and visitors cherish. Adopting a private road as scenic allows the Town to provide scheduled maintenance and paving to reinforce safe conditions while preserving the road's scenic and rural attributes.

To find out more about the proposed adoption of the new Scenic Roads come to the Public Hearing at Town Hall on November 2, 2022 at 7:30pm.

The Scenic Road Ordinance can be found [here](#).
