#### **I. Call to Order**

The meeting came to order at 9:03 A.M.

#### **II. Site Inspections**

1. **#SP-22-2, 36 Saw Mill Hill Road.** Owner: Jeremy Kawaller. Mr. Kawaller and his husband, Mr. Edward Ackerman, provided an overview of the proposed carport along the side of their front yard. Commissioners noted the site was very isolated from view of other residents, and the applicant noted the proposed carport structure was designed to blend with the existing residence. Commissioners also noted that the plans also show a stormwater capture & Cultec infiltration system to be installed. The site plans also show a proposed extension to a shed/storage structure at the rear of the home; the applicant stated that is not an element of the current application.

**No motions were made; no actions were taken.**

#### **III. Adjourn**

Meeting adjourned at 9:22 A.M.
