Benefit Guide

July 2019

SPIF

First Selectman Rudy Marconi formed the [Senior Positive Initiative Forum \(SPIF\)](#) in 2003 in order to coordinate the efforts of Ridgefield organizations which work with our older residents. Since its inception, SPIF has sponsored numerous activities and initiatives which serve to enhance the quality of life of our senior citizens.

Welcome

Dear Friends and Neighbors,

Welcome to the 10th edition of our Ridgefield Senior Gold Card Benefit Guide. I am very pleased that most sponsors have renewed their generous offerings and many have even expanded them. We have added a number of new sponsors to the program this year, further expanding the categories, merchandise & services available in our program.

Our Gold Card Program has also become very popular amongst Ridgefield businesses. They are finding that it provides another marketing tool that potentially improves their bottom line.

I realize this guide is long overdue for a facelift. This year we have asked the Ridgefield Economic and Community Development Commission to assist Senior Positive Initiative Forum (SPIF) with the details of updating and publishing our new Senior Gold Benefit Guide. The businesses and organizations found in this guide will also be published and advertised on ridgefielddevelopment.com/senior-gold-program. This website is equipped with a new Business Directory where merchants and organizations can easily be sorted as Senior Gold Participants, providing for continuous updating of the Benefit Guide. Visit the ECDC website for this information and much more in the way of Ridgefield amenities and featured events.

As you look through this new guide, you will quickly understand why **IT PAYS TO BUY LOCAL**. The generosity of our Senior Gold Card Program sponsors is truly remarkable.

Cordially,
Rudy Marconi
First Selectman
