Public Comment.

Update on Town Wide Assessment.

Tony has been in contact with IHCD, reviewing final aspects of the town wide survey. Questions remain about the town website and open spaces.

Follow up on Fair Housing Complaint

Carol Juter reports plans submitted for the installation of an accessible access to her condo were not accepted due to what they claim is a drainage issue. A consultant wrote to the condo association on Carol's behalf disputing this conclusion. Her mother's doctor has provided a letter to the board explaining the medical necessity of accessible access.
