February minutes reviewed. Minutes approved with recommended changes.

Discussion on Catherine's activities on her outreach. Discussion around the 30th Anniversary of the ADA and how the commission can promote newer laws and regulation that have been in effect regarding individual with ASD.

IHCD update and pricing/discussion in relation to the software that IHCD uses - RS Means. Pros and cons were discussed amongst commission members.

Don made a motion to compose a statement that we recommend that we leave the IHCD pricing column on the list and add a disclaimer as it's applicable on actual cost to Ridgefield. All present voted in favor.

Don will circulate draft language for future discussion on language to be included.

COVID-19 protocols discussed.

Christina Calabro informed the group that she will not be renewing her appointment with the commission as her appointment expires in March 2020. She enjoyed her years on this commission and looks forward to following the good work to come.
