A podiatrist questioned if he could be included in the Directory—Consensus of Members, we should not include medical professionals

Lizabeth Doty advised that there are still contractors or tradesmen who have not responded. Chris Robertson advised we must have licenses and insurance information or they cannot be included. There are two or three weeks before the book goes to the printer.

Names of Commission members will be listed on the back page, but there will not be pictures.

Pertinent information for seniors will be provided by Tony Phillips and Karen Gaudian as "fillers" as necessary.

Chris Robertson is in charge of directory mailing. Alice will get mailing list of Over 55 from Town.

Checks will be made to locate a local printer. The directory should go to the Printer by the end of January.
