In person - Environmental Room – The Annex

Present: Jim Coyle Jean Linville Kitsey Snow

Absent invitees: Dr. Ben Oko

Guests: none

Mr. Coyle chaired the meeting. Ms. Campbell-Gibson took the minutes.

1) Natural Resource Inventory Update - discussion

Dr. Linville presented a list of proposed updates to the NRI document.

The discussion centered on whom to approach to assist with updating the various sections of the NRI. Previous contributors will be asked if they are willing to assist again.

Ms. Campbell-Gibson will set up an account in iNaturalist for residents to upload photographs, which may help with species identification. The RCC will reach out to the public with information on what assistance the commission requires in order to complete the proposed NRI update.

Dr. Linville will create a 'to do' list and assign tasks to commissioners and as well as to volunteers as volunteers come forward to assist.

ADJOURNMENT

The meeting ended at 1:10 pm
