Representing Applicant

Bill Diamond, Property Owner  
Mark Blandford

The site visit was called to order at 8:30 a.m. by Dan O'Brien. Mr. Blandford held up a section of the proposed fence which he placed at various points along the straight line proposed relocation of the existing fence and which the present Commission members viewed from standing on High Ridge Avenue.

The relocation of the fence proposed by Mr. Diamond would run a straight line due North beginning at the Northwest corner of the existing lattice fencing adjacent to the house and terminating at the property line on the North.

Mr. O'Brien suggested that six inches of the fence be installed below the grade level so that the perception of the fence from the public way would be further lessened, to which Mr. Diamond agreed.

The site visit concluded at 9:00 a.m.

Respectfully submitted,

Daniel J. O'Brien  
Chair
