1. **17 Main St – Change of previously approved porch windows and addition of an egress window in second floor**

4-0 voted to approve the application as presented for the revision of prior approved plans to use wood double hung white clad windows for the bedroom windows above the porch, the bathroom window and side window and the addition of the egress window above the bedroom windows on the second floor on the condition that the windows were all the same size and matched the current Garage windows. Further, approval was given to replace the transoms on the prior approved porch plans to solid wood.
