Ridgefield, CT: April 23, 2021

The Ridgefield Mass Vaccination Clinic held in partnership with RVNAhealth is offering a final round of **first doses** at Yanity Gym on Thursday, April 19. Those 18 and over wishing to receive the Moderna Vaccine can contact pio@ridgefieldoem.org or call:

- The town helpline at: 203-431-2718, or
- Ridgefield Social Services at: 203-431-2777

Walk-ins will be accepted on a first come first served basis, however, for planning purposes, it is helpful if you add your name to the list.

Second doses will continue at the clinic through May with the anticipation that the mass vaccination clinic will shut down at Yanity on May 27.

“With so many Ridgefielders already vaccinated, we feel it is time to return Yanity to the town as a recreational facility,” said First Selectman Rudy Marconi. “There are many other opportunities now to receive a vaccine, so there is less demand for a mass vaccination clinic. We do hope those Ridgefielders who have not yet been able to receive their vaccine will take advantage of this easy opportunity.”
