I. Call to Order

Chair Mucchetti called the Public Hearing to Order at 7:00 p.m. and gave an overview of Zoom Webinar and the aspects of Zoom Webinar procedures.

Mr. Robbins had continuous technical difficulty with the Zoom links and could not join the Webinar.

II: Public Hearing:

1. SP-21-14: Special Permit Application per Section 9.2 of the Town of Ridgefield Zoning Regulations to install two wall signs – “Jaipore” on the front elevation at 19 Bailey Avenue. Owner: Jeannette Laforte. Applicant: Malvyn Paulino.

The Legal Notice was read by Ms. Martin.
Chair Mucchetti asked if the Applicant was present. Mr. Baldelli asked if anyone was representing this Application. No one responded.

Ms. Martin stated that this Application was originally scheduled for September 28, 2021, but that the Applicant had not sent out the required legal notices. Ms. Martin confirmed that the notices have been sent.

The Chair said that the VDC reported they were in favor of the signs and that at the end of July, the Planning and Zoning Commission (“the Commission”) had approved one sign. A request for two signs had now pushed the Application into the Special Permit Application category.

Commissioner Hendrick asked for clarification about the signage as he had seen that the signage had already been put up on the front and back of the building. Mr. Baldelli stated that the regulations permit any building to have a “rear entrance sign” in addition to the permitted signage for the front of the building.

It was noted for the record that the correct owner of the property is Urstadt Biddle, not Jeanette Laforte. The tax assessor’s Online Permit System ownership identification is incorrect.

There were no questions from the Commission or the public.

The Chair stated that there was nothing further to enter into the Record.

**The Public Hearing closed at: 7:12 p.m.**

Hearing no further discussion, the Chair closed the Public Hearing at: 7:12 p.m.

Owner: Jonathan Tropper & Stephanie Abram. Applicant: Harry Rocheville.

The Legal Notice was read by Ms. Martin.

Mr. Harry Rocheville, Professional Engineer, McChord Engineering, presented the Application.
Mr. Rocheville’s presentation stated that the plans had been approved by the Health Department and that the AAC had looked at the plans and had suggested additional screening around the pool.

Comments and questions from the Commission included, adding deciduous trees onto the front of the property; and, why is the pool in the front yard. Mr. Rocheville answered that the pool was moved to the front because there are safety concerns if the pool was placed in the rear yard due to the steep topography which would require many stairs to get down to the pool.

Mr. Baldelli stated that there were two documents from the AAC.

Ms. Martin conveyed that the Staff Report showed that there were no concerns and that the proposed pool did not take away from the character of the neighborhood.

There was no Technical Correspondence and no comments from the public.

Ms. Olivia Mandelbaum, applicant and clinical psychologist, presented the Application.

Ms. Mandelbaum is a sole practitioner and the hours of operation will be: 9 a.m. to 7 p.m. 2-3 days per week.

Mr. Baldelli asked if there would be any classes given. Ms. Mandelbaum stated that there will not be any classes. She performs one-on-one counseling. The Chair asked about parking. It was determined that there are the required spaces.
