

# McKeon Farms Invasive Species Removal

Caroline Vilinskis

# Self-Introduction

- Caroline Vilinskis
- Junior at RHS
- Troop 19, former SPL
  - Fun Facts
    - I like art/playing instruments and being outside
    - I have a brother named Thomas and a dog named Bosco
    - I play soccer at RHS

## Purpose:

to remove invasive species in order to allow native species to be planted

## Overview:

I led a group of 7 adults and 12 scouts in clearing 200 feet of stonewall. With a total of 101 hours and 45 minutes, Bittersweet, multi flora rose, garlic mustard, Barberry, and poison ivy were cleared.
