

# Haviland Pond on Dawn In

Eagle presentation

# Introduction

---

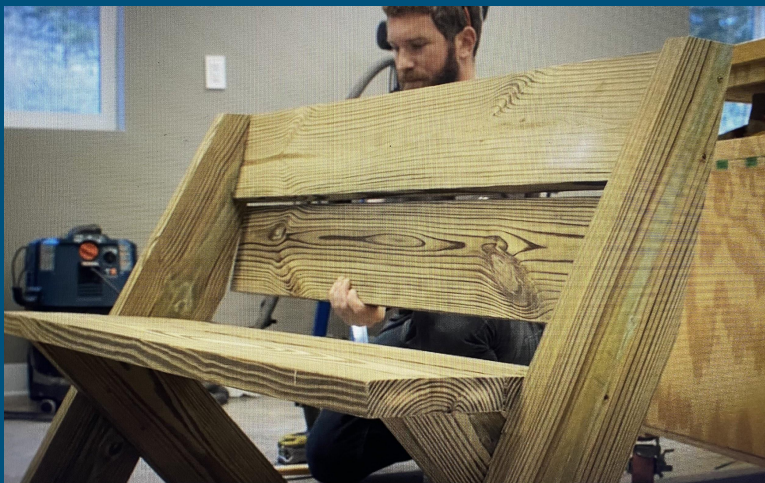

Hi, my name is Ines Taleb and I'm a 16-year-old Junior at RHS. I am a member of Troop 19, the first and only female scout troop in Ridgefield. I joined Scouts in November 2018 and achieved the rank of Life In February 2021. My current focus is my Eagle project, which will take place at Haviland Pond on Dawn lane.

# Project overview

---

I will clear a path to the pond and make a little sitting area with a bench that i will build so people can enjoy the water as many people like to run or walk there.

# Project overview

This is the estimate for the material,  
this does not include food and water.

---

This is about how the path would go, we would make a straight path going around trees that are in the way and would come to a open area to make a bench and enjoy the water.

# Project Overview

---

## Tools

Hammers

Rakes

Drill

Shovel

## Material

4-2x8x16 treated wood planks

Wood chips

Screws

# Project Overview

---

## Timeline

- Phase 1: Finalize path with marking tape and removable flags
- Phase 2: Begin clearing the path and defining the path. This

will include detailing work such as securing stone steps at the

wall and the rock pathway

- Phase 3: Add wood chips to define path and sitting area

Phase 4: Build bench and put it in the sitting area.

## Cost

Under \$120 to cover wood, screws, food and water

- Tools to be borrowed from family, friends and potentially the Town of Ridgefield

**Estimated start date is sometime in September or October**

Thank you
