

Notable Tree Nomination Form
Town of Ridgefield, Connecticut

Notable Trees are trees determined by the Tree Warden and the Tree Committee to be of great age or rarity, associated with an historical event or person, or of tangible value to the community for their scenic enrichment of the area and/or ability to survive a specific disease.

Trees designated "Notable Trees" may receive special treatment to prolong their life.

Residents may submit their nominations for notable trees to the Tree Warden on this form, accompanied by a photograph or sketch of the tree, if possible. If the tree named is on private property and the nominator is not the owner of the property, a letter from the property owner permitting the designation must be submitted along with the nomination form. Additionally, nominated trees on private property must be viewable from a public property or road.

After receiving the nomination form, the Tree Warden or member of the Tree Committee will measure/photograph and record the general condition of the tree. (If the tree is deemed by the Tree Warden and Tree Committee to be notable, the submitting party will be notified.)

Thank you for your interest in the Notable Tree program.

Tree Nominated (Species, Size and Location):
